Please take our survey about new development along Palisade Avenue

Dear Friend,

We are writing to you because you have expressed an interest in development and environmental issues in Riverdale in the past.

As you may know, the Hebrew Home at Riverdale plans to expand southward onto an adjacent property formerly owned by the Passionist Fathers. The Riverdale Nature Preservancy has taken an active interest in this project with the goals of preserving open space and ensuring minimum environmental impact and maximum sustainability of the development.

We are collecting opinions from neighborhood residents about the development of the site. We would be very grateful if you would take a few minutes to complete the following survey, letting us know your interest in and thoughts and priorities about the development. Your responses will be taken into consideration early in the design process by the project architects and Hebrew Home administrators.

And please feel free to forward this email to anyone else who might be interested!

Community meetings in January and February on the Hebrew Home expansion

The Hebrew Home and the Riverdale Nature Preservancy are co-hosting a community charrette on the expansion of the Hebrew Home. The charrette will be a series of two intensive planning meetings at which local residents, Hebrew Home leadership and project architects will be able to raise and consider ideas about different aspects of the project.

Three meetings in total are planned. All are welcome, to one or all of the meetings:

Tuesday, Jan. 15, 7:00 p.m.
At the residence of Beth Haase, Preservancy Board of Directors
4673 Delafield Avenue
A preliminary meeting of community members in advance of the charrette

Monday, Jan. 28, 6:00 p.m. - 9:00 p.m.

At the Hebrew Home on Palisade Avenue. Specific location will follow.
Community Charrette, part one
In addition to ideas raised at the meeting, the discussion will include ideas and issues collected through the Preservancy's on-line survey (link above).

Monday, Feb. 11, 6:00 p.m. - 9:00 p.m.
At the Hebrew Home on Palisade Avenue
